Volunteer Job Description
Role: Game Leader

I.Overview

The Game Leader is a part-time volunteer whose primary objective is to provide a safe and positive environment for players during house league games. Game leaders should ensure players receive fair amounts of playing time, and want to return to soccer next season because they had so much fun!

II. Volunteer Responsibilities

1.Functional Items

- Deliver a minimum of one parent meeting per team per season.
- Ensure players are safe and happy by creating a positive environment.
- Communicate with parents.
- Arrange social events for the team.
- Report any safety concerns to the Club immediately.
- Attend in-house Game Leader education and training.
- Help identify players for additional programs/opportunities.

2. Key Relationships

- Players
- Parents
- Match Officials
- Field and Operation Staff
- Manager of Recreation

III. Volunteer Environment

The Game Leader is assigned their team by the Club with soccer activities taking place at soccer fields within West Toronto. The Game Leader is not generally expected to visit the Club office except for select meetings, equipment or uniform pick-up, and/or coach education. Standard equipment for games, and festivals/tournaments is provided by the Club, as well as Club attire, which is to be worn at all club related games and functions.

IV. Reporting Structure

The Game Leader will report to the Manager of Recreation.

V. Competencies Required

The Game Leader should be friendly, punctual, professional, organized, approachable, responsive, passionate, show a commitment towards safety and player satisfaction, self-improvement, exhibit Club values, and be able to communicate efficiently to stakeholders.
