Toronto High Park FC
High Park Outdoor House League

PROGRAM OVERVIEW

THPFC's High Park Outdoor House League is a great option for both new and experienced players who are looking for a once a week commitment. Run by a combination of dedicated parents, volunteers, community partners and operational staff, it is our most popular program, offering age appropriate varying formats from 4v4 small sided games to 11v11 officiated games as the participants get older.

This program is led by volunteer game leaders. Please be advised that coaching staff are not included in this program.
