THPFC implementation of the CS Guide to Safety Policy

Toronto High Park FC (THPFC) can confirm that we are actively implementing the Canada Soccer Guide to Safety. In our Forms and Policies section of the website you will be able to find all of our policies and documents that are currently in place in order to ensure a safe environment for all of our participants.

All THPFC Policies can be found at https://thpfc.ca/forms-and-policies/

In addition to this, all of our full time technical staff staff, part time THPFC coaching staff & volunteer coaches hold the certifications required to operate in this space. In addition, we have two dedicated members of staff who track our licensing requirements and share with staff on a regular basis what is required or needing to be updated to ensure we continue to provide a safe environment for all of our players, in every session. Additional coach education and mentoring opportunities are also scheduled and shared whenever they become available.

Should you have any questions, please don't hesitate to contact us at info@thpfc.ca
